<u>New Teacher Network Login Information</u>

Instructions for Logging into your Computer as a teacher:

- Press Ctrl/Alt/Delete to access your login screen
- Enter your username: first initial and last name (all lower case, one word)
- Enter your temporary password: coosacounty1 (you will have to change it the first time you login)
- Please do not give your log in information to anyone else

Classroom Computers:

- All students have a personal log in account.
  Their log in user name is usually their first initial, second initial and last name. You may request a list of usernames from the technology department.

Email:

- Your email will be available through the District Google email account.
- Your email address will be your first initial last name@coosaschools.org
  Example: kthompson@coosaschools.org

- You can check your email from any device that has internet access.
